

AUGUST REPORT 2023

Eklavya's Rising Artists

On Independence Day, our organization's young talents showcased their creativity in a drawing competition, and we're thrilled to announce that **Roji and Sonika clinched the 1st prize!** Their vibrant artwork beautifully celebrated our nation's diversity and progress. This achievement not only honors their talents but also reflects our commitment to nurturing budding artists. With your continued support, we empower more such young stars to shine brightly.

2 Exposure visit

Our exposure visit reinforced the significance of practical, hands-on learning. By immersing students in real-world experiences, we cultivate vital life skills, ignite curiosity, and foster self-assurance. It was a day filled with joy and enriching experiences as our students explored the wonders of science and culture. We embrace experiential learning, as it not only enhances young minds but also makes learning enjoyable.

kuch tum kaho, kuch hum kahen

The sixth season of the interactive live session "Kuch Tum Kho Kuch Hum Kahen" has successfully brought together guests and host students for engaging conversations aimed at sharing knowledge and insights. This unique platform facilitates meaningful interactions between participants, fostering learning and connection. As the sessions progress, the impact and influence of this unique initiative are expected to further resonate within the community.

July impact story

मेरे पापा रिक्शा चलाते हैं और मेरी मम्मी घर का काम संभालती हैं! मैंने कुछ महीने पहले GDA का कोर्स ज्वाइन करा था! मेरे घर में मैं पहली लड़की हूँ जिसने अपना फ्यूचर बनाने के लिए और सेल्फ इंडिपेंडेंट बनने के लिए घर के बहार कदम रखा है! आज मैंने एक अस्पताल में अपनी इंटर्नशिप पूरी कर ली है और अब मैंने होम केयर में नौकरी के लिए आवेदन किया है। मेरे पिता को मुझ पर गर्व है

Empowering Dreams

Meet **Ujali**, a compassionate heart stirred by the helplessness she witnessed during the COVID-19 crisis. Determined to aid those in need, she set her sights on a career in healthcare. Through word of mouth, she discovered the GDA course, a gateway to realizing her dream. Ujali's unwavering dedication from day one has transformed her into a **Healthcare Worker at a home care facility, earning a monthly salary of 13,000/-**. Today, she not only lives her dream but also extends a healing hand to those she serves.
